

AUCKLAND DOLLMAKERS & COLLECTORS CLUB

the art of making and collecting

COME AND JOIN US

The Auckland Dollmakers & Collectors Club is a club dedicated to dolls. We promote the making and collecting of dolls as a hobby.

We encourage all doll lovers to learn and enjoy all they can about this very rewarding hobby.

The Auckland Dollmakers and Collectors Club meet on the second Sunday of the month from February through to December apart from May when the club day is brought forward to the first Sunday so that it doesn't conflict with Mother's Day.

Our meetings are held at the Auckland Horticulture Centre, 990 New North Rd, Western Springs

Club meetings start at 1:30pm unless you're otherwise advised.

As part of the community of the Auckland Dollmakers and Collectors Club we have a monthly craft day to come together. On a thursday every month the craft day is open to anyone wanting to spend their day sharing their projects, their skills and advice, or even just chatting over a cup or two of tea.

You are welcome to come to a club day to see if you would like to join us. Please phone as sometimes we have a change to our usual meeting day or time.
